CHALLENGE TRAINING & CONSULTING CELEBRATES IT'S 15 YEAR ANNIVERSARY IN 2009

CLIFTON, NJ, FEBRUARY 9, 2009: Challenge Training & Consulting, Inc. (CTC); a leading Learning Services, Staff Augmentation and Consulting Services provider is pleased to announce that it is celebrating its 15 Year Anniversary in 2009.

The company's early focus was Instructor Led Desktop Application training. Over the years CTC has significantly grown its portfolio of services and client base (while still retaining initial client relationships established in 1994).

Today, CTC develops and delivers a wide variety of Training Courses in Information Technology, Regulatory Compliance, Human Resources and Sales via Instructor Led Training and "e" Learning. The company also provides innovative consulting

services along with strategic sourcing, and staff augmentation services.

Frank Pinto (the company's CEO & President) recently commented that our company has clearly demonstrated a profitable growth trend annually; due to the meaningful and long-term relationships that have been fostered with our clients and consultants over the years. Mr. Pinto also noted that CTC is uniquely positioned to provide an "end-to-end" portfolio of services which help our clients attract, develop and retain their most important assets - "their employees".

Founded in 1994, Challenge Training & Consulting is committed to consistently exceeding its client's Learning, Consulting and Staff Augmentation requirements by providing them with quality resources and deliverables. Throughout the company's 15 year tenure, it has established strong business partnerships with many well recognized companies.
