**CHALLENGE TRAINING & CONSULTING IS MOVING IT'S CORPORATE
HEADQUARTERS EFFECTIVE ON APRIL 1ST, 2011**

LYNDHURST, NJ, MARCH 31, 2011: Challenge Training & Consulting, Inc. (CTC); a leading Learning Services, Staff Augmentation and Consulting Services provider is pleased to announce that it is moving it's corporate offices from Clifton to Lyndhurst, NJ on April 1, 2011. The company will now be located at 1099 Wall Street West in Suite 390.

The Company's CEO, Frank Pinto made the following comments regarding the company's relocation. "We have been in our current location since, 1994 and this has been a great location for our headquarters. However, we had the ability to negotiate a very good lease in wonderfully maintained building in a very nice corporate office park in the Meadowlands. We will miss our current corporate neighbors, but are very much looking forward

to meeting new ones when we move and also look forward to building new relationships with companies located in the Meadowlands area of Southern Bergen County. This office space also provides our employees with easy access to Route 17, Route 3, The NJ Turnpike, and Route 80 along with New York City, Bergen County, Passaic County, Morris County and Newark Airport. We are very excited about this move and starting a new chapter in our company's 15 year plus history!"

Founded in 1994, Challenge Training & Consulting is committed to consistently exceeding its client's Learning, Consulting and Staff Augmentation requirements by providing them with quality resources and deliverables. Throughout the company's 15 year tenure, it has established strong business partnerships with many well recognized companies.
